**CONNECTION INSTRUCTIONS FOR INSTALLING AND USING THE
VPN SERVICE**

Mac OS

You will find VPN client for Mac OS at the page

https://tunnelblick.net/release/Tunnelblick_3.7.4b_build_4921.dmg This client is for " OS X 10.7.5+". For older versions visit the site <https://tunnelblick.net/downloadsDeprecated.html>

After installation, save the following two files:

http://www.aueb.gr/help/program/VPN_MAC.rar

at the directory Library/Application Support/Tunnelblick/Configurations.

Finally, before you connect for the first time restart openVPN client.
