

CURRICULUM VITAE

PERSONAL DATA

Name: Helen Caraveli

Business address: Athens University of Economics & Business
Patisision 76
104 34 Athens

Office phone number: +30.210.82.03.443

Fax: +30.210.82.03.301

E-mail: caraveli@aueb.gr

Position: Assistant Professor
Department of Economics
Athens University of Economics & Business

EDUCATION

- **Ph.D., Agricultural Economics**, UNIVERSITY OF LONDON (Wye College), 1985.
Dissertation title: “The Greek Farm Income Problem in the Light of Accession to the EC”.
- **M.A., Development Economics**, STATE UNIVERSITY OF NEW YORK AT BINGHAMTON, 1975.
- **B.A. Economics**, DEREEL COLLEGE, Athens, Greece, 1973.

FIELD OF EXPERTISE

Agricultural and regional policy of the EU, Economic Geography.

PROFESSIONAL EXPERIENCE

Academic employment

2016-	<i>Associate professor</i> , ATHENS UNIVERSITY OF ECONOMICS & BUSINESS.
2009 –2016	<i>Assistant professor</i> , ATHENS UNIVERSITY OF ECONOMICS & BUSINESS.
1992-2009	<i>Lecturer</i> , ATHENS UNIVERSITY OF ECONOMICS & BUSINESS.
1977-1992	<i>Research and teaching assistant</i> : ATHENS UNIVERSITY OF ECONOMICS & BUSINESS.
1973-1975	<i>Research assistant</i> : STATE UNIVERSITY OF NEW YORK AT BINGHAMTON.

Visiting professor/researcher

- April-June 2012 LONDON SCHOOL OF ECONOMICS AND POLITICAL SCIENCE, European Institute, Hellenic Observatory: Senior Visiting Fellow.
- Sept.-Oct. 2011 BOGAZICI UNIVERSITY, Department of Economics, Istanbul, Turkey.
- Oct. 01-Mar.02 LONDON SCHOOL OF ECONOMICS AND POLITICAL SCIENCE, European Institute, Economic and Social Cohesion Laboratory.
- Sept.96-Jan.97 UNIVERSITY of READING (U.K), Department of Agricultural and Food Economics.
- October 1994 UNIVERSITIES of GIESSEN and KONSTANZ (Germany).

RESEARCH COLLABORATIONS

- 2005 - Collaboration with the Institute of Agricultural & Food Economics and the National Centre of Spatial Organization (Warsaw, Poland) in EU rural development and regional policy issues within the framework of the RURAL DEVELOPMENT NETWORK.
- 1997- 03 Collaboration with the London Institute of European Environmental Policy (IEEP) on the impact of agricultural activity on EU environment.

OTHER EXPERIENCE

- May-Sept. 1995 DG-AGRICULTURE, (European Commission, Brussels). Participation in projects, concerning: (a) the impact of the CAP (Common Agricultural Policy) on environmental conditions of the EU; (b) the construction of agri-environmental indicators for Central and Eastern European countries; (c) the construction of cost of production and farm incomes indicators in the EU.
- 1976-1977 Greek Productivity Centre (ELKEPA). Participation in a number of research projects concerning productivity increases in Greek companies of several types.

TEACHING EXPERIENCE

COURSES CURRENTLY TAUGHT

- Agricultural Theory and Policy (with an emphasis on the CAP)
- Economic Geography
- Urban & Regional Economics

COURSES TAUGHT IN PREVIOUS YEARS OR CURRENTLY TAUGHT

- Micro-economic Theory
- Macro-economic Theory
- Economic History
- EU Regional Policy
- Structure and Problems of the Greek Economy
- European Integration

4. “Towards a new European rural development model? An assessment of the EU’s Rural Development Regulation in Greece”. *Discussion Paper No. 176*, Department of Economics, Athens University of Economics and Business, 2006.

5. “Regional inequalities in Greece: determining factors, trends and perspectives”. *Discussion Paper No. 1*, Department of Economics, Athens University of Economics and Business, 2011.
6. “Economic restructuring, crises and the regions: The political economy of regional inequalities in Greece”. *GreeSe papers no. 61*, Hellenic Observatory Papers on Greece and Southeast Europe, London School of Economics, August 2012.
7. “Rural Development Policy and Local Governance: Implementing the LEADER Axis in South-Eastern Peloponnese-Greece”. *Discussion Paper No. 15*, Department of Economics, Athens University of Economics and Business, 2013.

NATIONALLY FUNDED RESEARCH PROJECTS

1. “Greek Agriculture: Impacts from accession in the EEC and prospects in view of the implementation of the Single Market”. Study undertaken within the framework of the research project “The Greek Economy in the EEC: Impacts and Prospects”, financed by the Academy of Athens. Duration: 1989-1992.
2. “Food industries and the farm sector in Greece”. Financed by the Research Centre of the Athens University of Economics and Business. Duration: 1991-1992.
3. “The Sources of Farm Income Instability: The Case of Greece”. Financed by the Research Centre of the Athens University of Economics and Business. Duration: 1989-1994.
4. “Convergence/divergence between EU regions with increasing integration of the internal market: The case of rural regions”. Financed by the Research Centre of the Athens University of Economics and Business. Duration: 2000-2001.
5. Research project on economic geography and regional imbalances issues, financed by the Research Centre of the Athens University of Economics and Business. Duration: 2009-2014.
6. “Regional imbalances and EU Cohesion Policy (including the CAP’s Rural Development Policy). Current project financed by the Research Centre of the Athens University of Economics and Business. Duration: 1/1/2015-31/12/2017.

PARTICIPATION IN EU-FUNDED RESEARCH PROJECTS

- * “Structural Change in the European Food Industries”. Part of the AAIR (Agriculture and Agro-Industrial Research) programme. Duration: 1994-1997.
- * “Thematic Network on CAP & Environment in the European Union”. Part of the FAIR (Food and Agro-Industrial Research) programme. Duration: 1997 - 1998.
- * “The Environmental Impact of Irrigation in the European Union”. A DG-Environment project undertaken by the Institute of European Environmental Policy (IEEP) of London. Duration: 1/1/1999 – 31/12/1999.
- * “Immigration and spatial development in urban centres and regions of Ipiros”. An INTEMIGRA programme entitled “Network of cities for the integration of immigrants”, within the framework of INTERREG II C – CADSES. Undertaken in collaboration with General Secretariat of the Ipiros Region and the Institute of Regional Development of Panteion University. Duration: 1/1/2000 – 31/5/2001.

CURRENT RESEARCH TOPICS

- Core-periphery division in the EU under the new regional and global setting: Theoretical and institutional considerations.
- Local/Rural development policy of the CAP: Implications for European and Greek rural regions.

BOOKS

Regional Imbalances and New Economic Geography

Athens University of Economics and Business Editions, Spring 2016.

PARTICIPATION IN CONGRESSES

PRESENTATIONS IN INTERNATIONAL SCIENTIFIC CONGRESSES

Congresses/Seminars of the European Association of Agricultural Economists (EAAE)

1. **7th Congress of the EAAE**, Stresa (Italy), 6-10 September 1993. Presentation of the paper “The perspective of 1992/93 and Greek agriculture”.
2. **9th Congress of the EAAE** on “European Agriculture Facing the 21st Century in a Global Context”, Warsaw (Poland), 24-28 August 1999. Presentation of the paper “Testing the Intensification Hypothesis for EU Agriculture”.
3. **36th Seminar of the EAAE** on “Food Policies and the Food Chain - Structures and Interrelationships”, Reading (U.K.), 19-21 September 1994. Presentation of the paper “Concentration in the food industry and profit margins: implications for agricultural policy”.
4. **73th Seminar of the EAAE** on “Policy Experiences with Rural Development in a Diversified Europe”, Ancona (Italy), 28-30 June 2001. Presentation of the paper “A gravity model test on convergence in EU regions: The case of rural regions”.

Other Congresses/Workshops

1. **21th Annual Congress of the European Association of Research for Industrial Economists**, Chania - Crete, 4-6 September 1994. Presentation of the paper “Concentration in the Greek food industry and the distributive margin: Implications for farmers’ incomes”.
2. **Workshop** on the “CAP and Environment in the EU” organized by the Dutch Institute of Agricultural Economy (LEI-DLO) within the framework of the EU programme FAIR. Wageningen (Holland), 5-8 February 1998. Presentation of the papers “A Comparative Analysis on Intensification and Extensification in Mediterranean Agriculture: Dilemmas for Agri-Environmental Policy” and “The EU sheepmeat and goatmeat regime and the natural environment”.

3. **5th Pan-Hellenic Congress of the Agricultural Economy** on the “Reconstruction of Rural Space” organized by the Greek Society on the Agricultural Economy. Kastri, Athens, 11-13 December 1998. Presentation of the paper “Testing the Intensification Hypothesis in EU Agriculture”.
4. **7th Pan-Hellenic Congress of the Agricultural Economy** on “The society of the countryside in a changing rural space”, organized by the Greek Society on the Agricultural Economy. Agricultural University of Athens, 21-23 November 2002. Presentation of the paper “Is rural development policy a regional policy? An analysis of the implementation of the Rural Development Regulation in Greece”.
5. **Congress on Rural Development 2005** on “Globalisation and Integration Challenges to Rural Development in Eastern and Central Europe” organized by the Lithuanian University of Agriculture. Kaunas, 17-19 November 2005. Presentation of the paper “Towards a new European rural development model? An assessment of the EU's Rural Development Regulation in Greece”.
6. **Congress** on “Globalization and Economic Asymmetries” organized by the Athenian Policy Forum. Boston Park Plaza, 5 January 2006, Boston (USA). Presentation of the paper “EU Growth, Convergence and the Knowledge Economy: An Empirical Investigation”.
7. **46th Congress of the European Regional Science Association (ERSA)** on “Enlargement, Southern Europe and the Mediterranean” Volos 30/8-3/9/06. Chairperson and Discussant. Presentation of the paper “Centre-Periphery and specialization in the E.U.: An analysis from a New Economic Geography Perspective”.
8. **47th Congress of the European Regional Science Association (ERSA)** on “Local Governance and Sustainable Development”, Paris/Cergy-Pontoise, France, 29/8/07-2/9/07. Presentation of the paper “Local governance as an engine for rural development in mountainous areas: The case of Greece”.
9. **Congress** on “The Global Economics of a Changing Environment” organized by the Athenian Policy Forum, Athens 9/7/08-11/7/08. Presentation of the paper “Where in the U-shaped curve is Europe found? An empirical analysis of centre-periphery and specialization in the EU”.
10. **Regional Science Association (RSA) Annual Conference 2011** on *Regional Development and Policy: Challenges, Choices and Recipients*, Newcastle, UK, 17/4/11-20/4/11. Presentation of the paper “Regional Inequalities in Greece: Determining Factors, Trends and Perspectives”.
11. **Congress** on *Regional Development and Economic Crisis: International Experience and Greece*, organized by the Greek Society of Regional Science, Institute of Regional Development, Panteion University, Athens 6-7 May 2011. Presentation of the paper “Regional Inequalities in Greece and Structural Changes of the Greek Economy”.
12. **2nd International Congress of Political Economy on Neoliberalism and the Crises of Economic Science**, organized by the International Initiative for the Promotion of Political Economy and the Turkish Social Sciences Association, Istanbul University, Istanbul 20-22 May 2011. Presentation of the paper “Economic restructuring, crises and the regions: the political economy of regional inequalities in Greece”.
13. **17th Scientific Congress of the Association of Greek Regional Scientists: The future of development and spatial planning in Greece**, organized by the University of Sterea

Ellada and the Geography Department of the Polytechnic School of Athens, Delphi, 25 February 2012. Presentation of the paper “The Regional dimension of agricultural policy: The case of Greece”.

14. **53rd Congress of the European Regional Science Association (ERSA)** on *Regional Integration: Europe, the Mediterranean and the World Economy*, Palermo, Sicily, 27/8-31/8/2013. Presentation of the paper “Rural development policy and local governance: Implementing the LEADER axis in south-eastern Peloponnese-Greece”.
15. **54th Congress of the European Regional Science Association (ERSA)** on *Regional Development and Globalization: Best Practices*, St. Petersburg, Russia, 26/8-29/8/2014. Presentation of the paper “Social capital in rural development and socio-economic cohesion: a review of the literature and the Greek Paradigm”.
16. **5th International Conference in Political Economy** on *CRISIS: SCHOLARSHIP, POLICIES, CONFLICTS AND ALTERNATIVES*, organized by IIPPE (International Initiative for the Promotion of Political Economy), Naples, Italy, 16-18 September 2014. Presentation of the paper “Core-Periphery in Europe under regional and global changes: An interpretation through the glasses of NEG”.
17. **Regional Science Association (RSA) Annual Conference 2015** on *Global Growth Agendas: Regions, Institutions and Sustainability*, Piacenza, Italy, May 2015. Presentation of the paper “The dynamics of change of EU core-periphery division: Eastern vs. Southern periphery and beyond”.
18. **Regional Science Association (RSA) Workshop** on *EU Cohesion Policy: Focus on The Territorial Dimension*, Lisbon, Portugal, 5-6 November 2015, organized by the RSA Research Network on EU Cohesion Policy. Presentation of the paper “The LEADER Programme as a vehicle in promoting social capital in rural regions”.
19. **14th Conference of European Rural Development Network (ERDN)** on *Knowledge sharing and innovation in agriculture and rural areas*, Budapest, Hungary, 3-5 October 2016, organized by the AKI (Research Institute of Agricultural Economics). Presentation of the paper: “The Leader Programme as a vehicle in promoting social capital in rural regions: a critical assessment and examples from the case of Greece”.
20. **Regional Science Association (RSA) Annual Conference 2017** on *the Great Regional Awakening: New Directions*, Trinity College, Dublin, Ireland, 4-7 June 2017. Presentation of the paper “Eastern vs. Southern periphery in the EU: a comparative analysis from a new economic geography perspective”.
21. **150 Congress of the European Regional Science Association – Greek Section (ERSA-GR)** on *Cities and regions in a changing Europe: challenges and prospects*, Athens, 5-7 July 2017. Presentation of the paper “Eastern vs. Southern periphery in the EU – some economic determinants of their different growth paths”.

INVITED PAPERS

1. **Seminar** on “CAP Reform and the Protection of Water, Soil & Air” organized by the UK Department of Environment, Transport & Regions and the London Institute of European Environmental Policy. London, 22 February 1999. Presentation of the paper “The effects of agriculture upon water & soil protection: The case of Greece”.
2. **Congress** on “Culture and Development” organized by the Department of Business Administration of DOKUZ EYLUL University. Smyrna, 2 May 2002. Presentation of

the paper “The Regional Dimension of the Common Agricultural Policy and Enlargement”.

3. **Congress** on “Endogenous factors stimulating rural development” organized by the Warsaw Institute of Rural Development, within the framework of the EUROPEAN RURAL DEVELOPMENT NETWORK. Madralin, Poland, 12-15 October 2006. Presentation of the paper “Endogenous rural development prospects in mountainous areas: The case of mount Parnonas in Greece”.
4. International **Conference EURINT 2016** on The Eastern Partnership under strain – time for a rethink? Organized by the Alexandru Ioan Cuza University, Iasi, Romania, 20-21 May 2016. Presentation of the paper: “The EU’s Eastern Partnership (EaP) and its prospects: implications for EU’s international position and internal cohesion”.

PARTICIPATION IN CONGRESSES AS DISCUSSANT, RAPPORTEUR AND CHAIRPERSON

Discussant

1. **Congress** on “Formulating a national policy for the future of the Greek economy”. Athens University of Economics and Business, Athens, 9-11 April 1997.
2. **Seminar** on “Structural Change in the European Food Industry” organized by the University of Reading (UK) within the framework of the EU programme AAIR. Reading, 30-31 May, 1997.
3. **Congress** on “Biodiversity and Sustainable Countryside” organized by the UK Department of Environment, Transport & Regions and the London Institute of European Environmental Policy. London, 9-10 March 1998.
4. **Workshop** on the “Agri-environmental Policy for a Sustainable Countryside” organized by the Greek Society for Ecological Agriculture and the Agricultural University of Athens. Athens, 19 October 1998.
5. **EUROCONFERENCE** on “Quality of Life, Sustainability, Environmental Changes” organized by the Austrian Research Centres, within the framework of the EU programme TMR – Training and Mobility of Researchers. Vienna, 6-9 May, 1999.
6. **Congress** on the “Future Policies for Rural Europe: 2006 & Beyond” organized by the Land Use Policy Group and the London Institute of European Environmental Policy. Brussels, 12-14 March 2003.

Rapporteur

Congress on “Meeting Environmental Standards under Agenda 2000” organized by the London Institute of European Environmental Policy and the Spanish WWF, Madrid, 5-7 October 2000.

Symposium on “Getting out of the crisis: the role of Income Distribution” organized by the “Task group “Post-Keynesian analyses and modelling” of the CEPN”, Université Paris 13, Paris, 9-10 June 2011.

Chairperson

- **Seminar** on “A review of the Environmental Implications of the EU Sheep and Goat Meat Sector” organized by the European Forum on Nature Conservation and Pastoralism και the Great Britain Wildlife and Countryside Agencies in collaboration with BirdLife and WWF. Brussels, 29 January 2001.
- **International Conference on Applied Economics** organized jointly by the Department of Economic Sciences of the National & Kapodestrian University of Athens and the Department of International Trade of the Western Macedonia TEI, Athens, 26-28 August 2010.
- **17th Scientific Congress of the Association of Greek Regional Scientists: *The future of development and spatial planning in Greece***, organized by the University of Sterea Ellada and the Geography Department of the Polytechnic School of Athens, Delphi, 25 February 2012.
- **Regional Science Association Winter Conference: *Smart, Creative, Sustainable, Inclusive: Territorial Development Strategies in the Age of Austerity***, London, November 2012.
- **Regional Science Association (RSA) Annual Conference 2017** on the Great Regional Awakening: New Directions, Trinity College, Dublin, Ireland, 4-7 June 2017.

PRESENTATIONS IN SEMINARS

Presentation in the seminar series of the Department of Economics of Bogazici University, in Istanbul, Turkey, of the paper: “The EU core-periphery divide in the new regional and global setting. A reflection of the new economic geography paradigm?”, 3 October 2011.

SUPERVISION OF THESES

Supervision of MASTER theses at the postgraduate programme *Specialization in Economic Science*, in the academic years 2015-16 and 2016-17.

MEMBERSHIP IN SCIENTIFIC SOCIETIES AND RESEARCH NETWORKS

Member of:

1. The Regional Science Association (RSA)
2. European Regional Science Association (ERSA)
