PRESS RELEASE

15 startups and 200 students participated in the "Startups Career Day" organized by the Innovation and Entrepreneurship Unit of AUEB

On Thursday 19 April 2018 the "Startups Career Day", organized by the Innovation and Entrepreneurship Unit ([MoKE](#)) of the Athens University of Economics and Business ([AUEB](#)), took place with great success in the premises of the Athens Center for Entrepreneurship and Innovation, [ACEin](#).

The "Startups Career Day" is organized by AUEB's Innovation and Entrepreneurship Unit for the last 5 years, bringing together more than **800 students and graduates of AUEB with more than 80 startups**.

This year's event was supported by [CollegeLink](#) that specializes in youth employment.

In this year's event 15 startups and approximately 200 AUEB students and graduates participated. Parallel to the meetings, the participants had the opportunity to receive guidance on how to build their resume by specialized consultants of the companies [Imw](#) and [Βιογραφικό Reloaded](#).

Professor Emmanouil Giakoumakis, Rector of the Athens University of Economics and Business, Professor Vlassis Stathakopoulos, Scientific Responsible of AUEB's Employment and Career Unit, and Associate Professor Irini Voudouri, Responsible of AUEB's Innovation and Entrepreneurship, honored the event with their presence, and welcomed and discussed with students, graduates, and startups.
