**A. MAIN POSITIONS, EDUCATION, QUALIFICATIONS AND EXPERIENCE**

➤ **Current Positions:**

Professor of Economics at the Department of Economic Science of the Athens University of Economics & Business (AUEB) (1994 - ). The Department is the oldest (established in 1920) and, is widely considered, the foremost economics department in Greece and highly ranked in terms of research output between European departments.

Visiting Professor: London School of Economics, European Institute, Oct. 2018 – Sept. 2019.

➤ **Main Positions in University Administration:**

- University Vice-Rector for Academic Affairs and Personnel (2007 - 2011)
- Chairman of the Department of Economic Science (2011 - 2015)
- Chairman of the Senate Committee of the University Research Funding Program (PEVE) (2008 – 2012).
- Director of the Economic Department's Programs of Post-graduate Studies (2000 - 4).
- Director of the Postgraduate Executive Program in Applied Economics and Finance which he initiated and organized (2003 -).
- Director of the Joint Doctorate Program in Economics of AUEB and the Kapodestrian University of Athens (2001 - 2003).

- **University Education:** Got his MSc and his Ph.D in Economics (1984) from the London School of Economics (thesis supervisor: John Sutton) and his B.A. in Social Sciences (Economics) in Sunderland University, UK.
- **Teaching Experience:** Has been teaching courses on Industrial Organization, Economics of Competition and Regulation Policy, Micro-economics and Economics of Technological Change and Innovation at under-graduate and post-graduate level (to full-time and executive students) since 1981.
- **Editorial Positions:**
  - Member of the Editorial Board of the *European Competition Journal*.
  - Guest Editor, *Journal of Industrial Economics*, Symposium on “Competition Policy: Procedures, Institutions, IPRs”, 2009 (with P. Regibeau and D. Ulph).
  - Member of the Editorial Board of the *Journal of Evolutionary Economics* (1991-1998).
  - Guest Editor, *Review of Industrial Organization*, Special Issue on “Competition policy in Developing Countries”, 2018, with William Kovacic and Thomas Ross.
  - Guest Editor, *Journal of Antitrust Enforcement*, Special Issue with selected presentations of CRESSE 2018 conference, with William Kovacic and Pierre Regibeau.
  - See also end section in Publications (below).
- **Other Academic Positions / Appointments:**
  - Served as Lecturer and Senior Lecturer at the Universities of Southampton, Bristol and Liverpool before being appointed Associate Professor at AUEB in 1989.
  - Was a Visiting Professor of the University of Pittsburgh (1992-1993) at the Center of Economic Research and Graduate Education, Charles University (Prague).
  - Was a Visiting Research Fellow (Spring 1994) at the Center de Recherche en Economie et Statistique, CREST-ENSAE (Paris).
  - Was Director of the Athens Institute of Economic Policy Studies (EMOP, 1993-1995).
- **Other Positions / Distinctions:**
  - Research Fellow of the Center of Economic Policy Research (CEPR), London (1992 – 2001).
  - Member of the Executive Board of the European Association for Research in Industrial Economics (1993-1998).
  - Commissioner of the Hellenic Competition Commission (1995 - 2005), and member of the group of experts drafting the three major amendments of the Greek Competition Law in 1995, 2000 and 2011.
  - Member of the Council of Economic Advisors (SOE) of the Ministry of the National Economy of Greece (2002 - 2004).

- Member of the Investment Board of the Greek New Economy (VC) Fund (TANEO) (2001 - 3).
- Member of the Management Committee of the European Commission Research Program “Targeted Socio-Economic Research” representing Greece (1994-1998).
- Academic Associate – Senior Consultant with CRA’s European Competition Practice (2011 - ).
- NGA (Non-Governmental Advisor) for DGCOMP and the Hellenic Competition Commission (2014 - 2016).

## **B. SUMMARY OF ACADEMIC, RESEARCH AND CONSULTANCY ACTIVITIES**

### *Academic Research – Publications / Citations*

- Main research interests: Competition Policy, Sectoral (Telecom and Energy) Regulation, Industrial Organization, the Economics of Technical Change and Innovation, Environmental Regulation.
- Publications: He has been the author or co-author of a large number of articles, 39 of which in international, including leading, refereed journals (including the European Economic Review, Economic Journal, Journal of Industrial Economics, International Journal of Industrial Organization, Review of Industrial Organization, Journal of Regional Science and Urban Economics, Comparative Journal of Economics, Journal of Transport Economics and Policy, Journal of Competition Law and Economics, Scandinavian Journal of Economics, etc). He has also written 9 books and has edited or co-edited a large number of books.
- Citations: Work which he has authored or co-authored has been cited in over 2500 articles or books, many of which have appeared in some of the top international academic journals (American Economic Review, Review of Economic Studies, Economic Journal, European Economic Review, Journal of Industrial Economics, International Journal of Industrial Organization, etc).

### *Other academic and related activities*

- Recent Seminar Participation: Has been a regular contributor to conferences and University seminars since 1984. In the last 10 years he has given **invited research seminars** to the University of Mannheim (twice), Dusseldorf University, Copenhagen Business School, University of Cyprus, CERGE-EI (Prague, twice), Toulouse School of Economics (twice), City University, University of St. Andrews, Paris School of Economics, Moscow Lomonosov University, Higher School of Economics Moscow (twice), Higher School of Economics St Petersburg, Free University of Amsterdam, National University

of Singapore, Stockholm School of Economics in Riga, Venice University (twice), China University of Politics and Law (Beijing), Lingam University (Hong Kong).

- In the last three years he has been invited to contribute as **Keynote or Invited Speaker** in International Conferences and Workshops on Competition in Brazil, Chile, China, India, Peru, Russia, South Africa, Thailand, Turkey and Vietnam.
- Conference Organization:
  - Has organized a number of conferences for the Athens University of Economics and Business since 1993, including the Annual European Association for Industrial Economics (**EARIE**) conference in 1994 (in Chania, Crete) with over 450 participants.
  - In 2005 he initiated and, since 2006, he has been organizing the Annual Summer School and Conference on Competition and Regulation (**CRESSE**) that is widely recognized as one of the top research and policy conferences and summer schools in the area of competition economics and policy worldwide ([www.cresse.info](http://www.cresse.info)) – assisted by a Scientific Committee currently composed of Joe Harrington, Pierre Regibeau, Patrick Rey, Tom Ross and David Ulph. The 10<sup>th</sup> Annual CRESSE Conference organized in July 3-5, 2015, included as Keynote Speaker the 2014 Nobel Laureate, Prof. Jean Tirole.
- Refereeing: Has acted as referee repeatedly for many, including all the top, academic journals and publishers (including *Econometrica*, *Review of Economic Studies*, the *Rand Journal*, *European Economic Review*, *Economic Journal*, *Journal of Industrial Economics*, *Journal of Regional Science and Urban Economics*, *Scandinavian Journal of Economics*, *International Journal of Industrial Organization*, *Review of Industrial Organization*, *Journal of Applied Econometrics*, Cambridge and Oxford University Press, etc).
- Contributions to economic press: Has been a regular contributor to major economic newspapers and magazines in Greece and abroad (*Wall Street Journal*, *Kathimerini*, *VIMA*, *TASEIS*.) on issues related to Competition and Regulation and more general Micro-Economic Policy.

### ***Funded Research, Consultancy and Board Membership***

- Research Project Participation: He has coordinated or has been principal investigator in over 40 research projects funded by the CEU since 1989 mainly from DG12, DG2 and DG4. He has also coordinated or has been principal investigator in many research projects funded by Research Councils

(such as UK's ESRC), the World Bank, EBRD, Greek Ministries as well as other Greek organizations.

- Policy Experience in the Areas of Competition Policy and Sectoral (Telecom and Energy) Regulation: Participated, from 1995 - 2005, as a **Commissioner** in the Hellenic Competition Commission. During this time he participated in the examination of over 150 cases involving Mergers, Collusive Behavior and the exploitation of Dominant Market Position. He has been the author or co-author of the Commission's Decisions in a number of the most important of the above cases.
  
- Advising / Consultancy:
  - Has acted as advisor or consultant to the European Commission, the OECD, the World Bank, the EBRD and major corporations at various times since 1986. He has also served repeatedly as evaluator of proposals to research programs funded by the European Commission or Greek Ministries. Between 2004-8 he has acted as consultant to the World Bank in projects appraising the Competition Policy and Regulatory regime in Southern Balkan countries and implementing a series of reforms for establishing effective competition and regulation policies. He is currently the team leader of an EBRD funded project that aims to devise and implement a methodology for constructing indicators of the quality of Competition Law Institutions and Enforcement (with Frederic Jenny).
  
  - Has acted many times as consultant, advisor, project auditor and trainer on telecom and energy regulation and competition issues for the Greek National Regulatory Authority for Telecommunications (EETT), for the Greek Telecommunications Organization (OTE), for the Regulatory Authority for Energy (RAE) and for the Hellenic Competition Commission.
  
  - He is an Academic Associate–**Senior Consultant** with CRA's European Competition Practice (2011 - ).
  
  - He has acted as **consultant on competition** issues to many of the major multinational and Greek companies (Hellenic Petroleum (ELPE), Minoan, VIVARTIA, Heineken / Athenian Breweries, SIDENOR, Bosch Siemens, Philip Morris International, Pepsico Int., Wind Hellas, Colgate – Palmolive, OTE, Public Power Corporation, etc).
  
- Board Membership: He has served as Board Member in a number of the major Greek corporations including the Public Power Corporation (2009 - 2011) and FG Europe (2002 -).

## **C. EXTERNAL FUND RAISING AND CONTRIBUTIONS TO THE CREATION AND DEVELOPMENT OF NEW ACADEMIC PROGRAMS – CAPACITY BUILDING**

- As the Director of the Economics Department's postgraduate programs (2000 – 2004) he initiated and organised, along contemporary lines still in force today, the new Masters and Doctorate Program in Economic Theory. The program is internationally recognised and many of the Masters' program graduates become subsequently accepted with full sponsorship at the top USA and EU Departments of Economics.
- He also initiated and organised, the new Masters Program in Applied Economics and Finance (on a full - time basis in 2001 and on a part – time (for Executives) basis in 2003). These programs are considered the most successful programs in their areas in Greece. He still directs the part-time program.
- As University Vice Rector he initiated and organised the first Program for the Funding of Basic Research at AUEB (PEVE) and was responsible for the contemporary Postgraduate Studies Regulation of the University.
- In 2005 he created the self-financed European Summer School and Conference in Competition and Regulation (CRESSE), which has been taking place every year since 2006. Participants in the Summer School are almost exclusively Executives from Competition and Regulatory Authorities and Law Firms from all over the world. The Conference has evolved into one of the top events in Europe in the areas of Competition and Regulation attracting every year over 100 of the very top researchers and policy makers from all over the world.

### ***Research funding***

- Since 1989 he has coordinated or has been principal investigator in over 50 research projects funded by the European Commission, the World Bank, EBRD, ESRC (UK), the Greek Ministries of Science and Technology and the Ministry of Education and other organisations with a total budget exceeding 4 million euros.
