

ONLINE TRAINING

Would you like to learn how to use the electronic resources from your library?

Join our EBSCO webinar! We will introduce how to use electronic resources that your library offers. We will explain how to find sources that you need for your studies and working papers, how to work with the content, browse all publications available and other useful functions.

March 14
Monday

14:00 - 15:00

via Zoom

Please note:
