

Open Day Presentation MSc in Data Science, AUEB

May 11th , 2022

17:30-19:15

Venue: Athens University of Economics and
Business, Troias 2 & Spetson, Ground Floor

In view of the Application Deadline for MSc in Data Science on May 14th 2022, the program organises an Open Day Presentation on Wednesday 11th May 2022 at 17:30. You can participate either face to face or with virtual presence.

During the Open Day participants will:

- Learn more about the Program's structure, academic curriculum, and courses.
- Receive advice about the benefits of gaining a degree in Data Science.
- Ask questions regarding the program and the application process.
- Learn about program requirements.
- Find out more about the Capstone Project in association with the industry.
- Explore professional opportunities after graduation.

Open Day Program

- 17:30-18:00 QA with Program Administrators
- 18:00-18:30 Presentation by Prof. Vasilis Vassalos
- 18:30-19:15 Discussion with Prof. Vasilis Vassalos and Program Faculty
