According to the rules and regulations of the Erasmus+ International Credit Mobility Program, it is mandatory that all participants have adequate insurance coverage for their entire mobility period at AUEB.

The participants themselves are responsible for the costs of all the below mentioned mandatory insurance coverages:

1. **Health Insurance Coverage**
   Basic health insurance coverage is provided by the national health insurance of the participant during his/her stay in another country. However, the coverage of the basic health insurance or private insurance may not be sufficient, especially in case of repatriation and specific medical intervention. In that case, a complementary private insurance might be useful.

2. **Personal Accident Insurance coverage**
   Personal Accident Insurance coverage is related to the participant's tasks (covering at least damages caused to the student at the study/work place) including personal injury and/or damages caused to her/him as a person in the course of ordinary activities at the study/workplace resulting from accidents, during his/her stay abroad in an eligible programme/partner country under the Erasmus+ Programme.

**ATTENTION:** The General Liability Insurance Coverage for Third Party is optional.
